

**One of Portland’s most anticipated design and architecture events of the year has grown to a year-round event, called Restore Oregon Modernism.**

When you sponsor Restore Oregon's Modernism event series, your sponsorship will cover the following events:

- **Grube: A Private Tour, April 8th:** For the first time, the home that architect Joachim Grube designed for himself is available to tour!
- **Mr. Rummer’s Neighborhood Home Tour, May 13th:** Our home tours typically welcome close to 800 tour-goers looking to gain an insider's perspective on Pacific Northwest Modernism.
- **SOLD OUT | Tiki Cocktail Party, July 15:** Hosted in a private tiki-focused home party will host up to 50 party-goers
- **Journey of a Modern Office Space, October 14:** Over 100 modernism fans will learn the design principles behind the restoration of this MCM office building, along with a lecture from the local architectural photographer, Sally Painter.

**We offer the following sponsorship opportunities to fit any budget**
